

Consent to Publish and Copyright Transfer

Title of the manuscript: _____

Author(s) Full Name(s): _____

Corresponding Author's Name, Affiliation Address, and Email: _____

When Author is more than one person the expression "Author" is used in this disclaimer and will apply collectively unless otherwise indicated.

This document represents an agreement between Author and University of Novi Sad, Faculty of Technical Sciences, Trg Dositeja Obradovica 6, 21000 Novi Sad, Serbia, publisher of the periodical 'International Journal of Industrial Engineering and Management' (IJIEM), hereafter referred to as the Publisher, represented by the Editor-in-Chief Uglješa Marjanović, Ph.D. of the following content:

1. The Author declares that the article is an original composition, that it contains no defamatory content and violates no author's rights or patent laws of other persons, and that it has not been submitted for publication in any other place.
2. The Author is obliged to present the current contract to all co-authors, and to inform them about the agreement.

The author will without condition of payment transfer to the Publisher, and the Publisher will take over the rights of ownership to the Article named above, in accordance with author's law of the Republic of Serbia. Transferral of author's rights principally includes the following fields of exploitation: publication, copying, distribution, reprinting, photocopying, microfilming, diskette and other forms of transcription, translation and other means of dissemination, and also by means of electronic means of transmission.

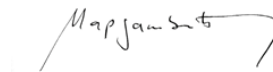

The parties agree that the Author retains the rights to:

1. Oral presentation of the same or similar information as contained in the Article, to any forum, on condition that s/he informs the Publisher of this in advance, and if the Article has not yet been published. In case the forum is a conference, symposium or other official meeting, the Author is obliged to represent to the authors of this meeting that the content of her/his presentation may only be included in informational materials for the internal use of the participants in the meeting, with an annotation of expected publication in IJIEM;
2. Making copies of the Article published in IJIEM or any fragments of it for the personal use of the author connected with teaching;

3. Re-use of all or part of the published Article in compilations of her/his own publications, or in books of which s/he is the author, on condition that reference is made to the first publication of this Article;
4. Use of the copy for internal purposes of the institution where the Author is employed;
5. Use of patent specifications based on information contained in the Article.

The Author accepts responsibility towards third persons for the content of the article, and within the field in which the Publisher may be liable for responsibility as a result of any declarations made by the Author in this Contract which are not in agreement with the true state of affairs.

All changes in the Contract may be made only in written form, on penalty of invalidation. The Contract has been drawn up in two copies, one for each party.
