Title of the manuscript: _____

Author(s) Full Name(s): _____

When Author is more than one person the expression “Author” is used in this disclaimer and will apply collectively unless otherwise indicated.

I, Author of this manuscript, confirm that this is my own work, is not copied from any other person's work (published or unpublished), and has not submitted for publication either at International Journal of Industrial Engineering and Management (IJEM) or elsewhere. I confirm that I have read and understood the International Journal of Industrial Engineering and Management regulations on plagiarism and the Authorial Role at IJEM.

1. Manuscripts submitted in the International Journal of Industrial Engineering and Management don't misrepresent the work of others as their own, nor do they overstate their own contribution by obscuring related work by others or themselves.
2. Manuscripts submitted in the IJEM explicitly identify, credit, and reference the author of any data or material taken verbatim from written work, whether that work is published, unpublished, or electronically available.
3. Manuscripts submitted in the IJEM explicitly cite others' work and ideas, including their own, even if the work or ideas are paraphrased or not quoted verbatim. This standard applies whether the previous work is published, unpublished, or electronically available.
